

Better Than Before

Tone Stith

Oh, yeah, yeah, yeah, yeah-yeah
Oh, oh, oh, oh-oh
Uh, ayy, uh

Jump inside the whip and I skrrt
On my way to give you that work
Ain't no better time than right now, hey
Take you down and send you back up
Let me show you how to make love
Way until the morning, keep you up, hey

You know I noticed that
You ain't got a single flaw in your vibe, babe (Oh-oh, oh-oh)
Let's make it personal (Oh)
Let me hit it like I did last time, you can't deny it, baby
Oh, oh-oh

Yeah, you feel better than before
See, you taste better than before
You way better than before
Yeah, you feel better than before

Touchin' on your body like the keys
Drop it like it's 500 degrees
So wet, your body starts to leak
I can hear your body calling me
Pick it up on the first ring
Ain't gon' do no talkin' when I see ya
I'm gon' rock the boat just like Aaliyah
Gets better every time we link up

You know I noticed that
You ain't got a single flaw in your vibe, babe
In your vibe (Oh-oh, oh-oh)
Let's make it personal (Oh)
Let me hit it like I did last time, you can't deny it, baby
Oh, oh-oh (Woo, woo)

Yeah, you feel better than before (Ahh)
See, you taste better than before (Oh, you)
You way better than before (Whoa, whoa)
Yeah, you feel better than before (Ahh yeah)

(Better than before) Yeah
Aw baby, aw girl, no
(Better than before) Yeah
