

CMDGF (Closed Mouths Don't Get Fed)

Tone Stith

Wanna fuck around with you, ayy
I wanna fuck around, ayy, ayy

I remember days when I needed a friend
You came through and gave me second wind, goddamn
For that reason I can't even be mad
At the time when I'm still poppin', she be goin' bad
Oh, woah, I ain't for the drama
I'ma keep it solid and that's on my momma
Oh, woah, I've been chasin' commas
I'm trippin' 'bout that paper, but it ain't a problem

Girl, you wanna pull up? (Yeah)
Late-night 'til the mornin' (Yeah)
All the neighbors hear you moanin' (Yeah)
Come through when you want me (Yeah)
Uh, big tipper, baby, call me

You wanna fuck around, that's all you had to say, ayy
You with the shit, well, that all you had to say, ayy (Yeah, yeah)
Closed mouths don't get fed (No, no, no)
Closed mouths don't get fed (Yeah, yeah, yeah)
You wanna fuck around, that's all you had to say, ayy
You with the shit, well, that all you had to say, ayy (Ooh, ooh)
Closed mouths don't get fed (Ooh, ooh)
Closed mouths don't get fed

With me, oh, no, no, oh, no (Oh, no, no-no)
With me, oh, no, no, oh, no (Yeah)

I'ma have you weak (I'ma have you weak), yeah, ayy
Have you weak in the knees
Monaco or Paris, I'm talkin' trips overseas
Girl, what you need?
Yeah, I got that white Hennessy
You can slide through at three
Ooh-woah, ooh-woah
