

Doin' It For Me

Tone Stith

You just keep doin' it, doin' it, doin' it, doin' it, doin' it
for me
You just keep doin' it, doin' it, doin' it, doin' it, doin' it
for me
Oh, uh

Insomnia, yeah
Is making love until the sun comes up, yeah, mmm
I wanna do, yeah, yeah
Everything that we shouldn't do, oh

Tonight, I'm gonna take my time
You do it how I like it
You know just what I like
Yeah-yeah, yeah-yeah

You just keep doin' it, doin' it, doin' it, doin' it, doin' it
for me
(For me, for me, oh-ah)
You just keep doin' it, doin' it, doin' it, doin' it, doin' it
for me
(Me, yeah, ooh)
You make it hard to leave (Hard for me)
All night, I hardly sleep (Ahh)
You just keep doin' it, doin' it, doin' it, doin' it, doin' it
for me
(For me, yeah, ahh)

Am I the one you call when you be feelin' horny? Mmm, mmm
Trust me when I say that you're my one and only, uh-huh
I just wanna give you my love (Love, all my love)
Give you my love (Love)
The neighbors say we do too much
Tell 'em we ain't do enough (Ahh, ahh)

Tonight, I'm gonna take my time
You do it how I like it (How I like it, baby)
You know just what I like (Ahh, hey)

You just keep doin' it, doin' it, doin' it, doin' it, doin' it
for me
(For me, ayy)
You just keep doin' it, doin' it, doin' it, doin' it, doin' it
for me
(Oh, yeah, woo)
You make it hard to leave (Hard for me)
All night I hardly sleep (Ahh)
You just keep doin' it, doin' it, doin' it, doin' it, doin' it

for me

(Ooh, yeah, yeah, yeah, ayy, uh)
