Tone Stith

Oh yeah, babe, mmm

I don't care if they look and stare  
I'ma show you love like nobody's there  
I don't know what you do to me  
But it's clear to see, you doing something and it's working

Oh yeah, I'ma rock ya body like Mike (Like Mike)  
Ooh, she bad like Mike (Like Mike)  
Off the wall like Michael  
I wanna rock with you  
Dance you into the sunlight  
Like Mike

I give you the action like Michael Jackson  
She Dirty Diana, I'm Michael Jackson  
She say I'm a thriller like Michael Jackson  
She say I'm that nigga like Michael Jackson  
Man in the Mirror like Michael Jackson  
Wild, she get to screaming like Michael Jackson  
Pretty Young Thing like Michael Jackson  
She want me to beat it like Michael Jackson  
Ayy, oh, ayy, ayy

Like how you get as high as your standards  
Don't let nobody talk to you reckless  
Seen you hit the moonwalk and your exes  
Oh, I want her like Dirty Diana (Woo)  
I can make you a star on the camera (Woo)  
You rocked my world, you know you did  
You know you did
