

# Mo Freaky

Tone Stith

I need a freak in the morning  
Freak in the, freak freak in the evening  
Ohhh, ohh  
Do you wanna get freaky?  
Ohhh

Oh baby  
I know, know you can get  
A little mo freaky, a little mo freaky  
You know just how I like it  
When I get inside it  
I wanna get  
A little mo freaky, a little mo freaky

Take your clothes off at the door  
Ain't that what you came for  
From the bed, to the couch, to the floor  
Satisfaction guaranteed  
Every time you're with me baby  
You never wanna leave

I need freak in the morning, freak in the evening  
I'm talking sex for no reason  
Your freaky secrets I keep them  
All to myself  
I need freak in the morning, freak in the evening  
I'm talking sex for no reason  
Your freaky secrets I keep them

Oh baby  
I know, know you can get  
A little mo freaky, a little mo freaky  
You know just how I like it  
When I get inside it  
I wanna get  
A little mo freaky, a little mo freaky

You'll kiss mine and I'll kiss yours  
Isn't that what it's made for  
Have you comin' back for more, oh yeah  
You know I like it real nasty, don't cha  
You know I like to have my way, don't cha  
You know I like to do it all day, don't cha  
And you just wanna do it all night, don't cha

Oh baby (yeah)  
I know, know you can get  
A little mo freaky, a little mo freaky  
You know just how I like it  
When I get inside it  
I wanna get  
A little mo freaky, a little mo freaky

Go take your clothes off baby at the door  
Ain't that whatcha came for  
Yeah, yeah, yeah, yeahhhh, yeah  
Woah woah woah woah, woahhhh

Oh baby  
I know, know you can get (yeah)  
A little mo freaky, a little mo freaky  
You know just how I like it  
When I get inside it  
I wanna get  
A little mo freaky, a little mo freaky

Baby clothes off, leave it at the doorAin't that whatcha came for  
You know just how I like it  
When I get inside it  
I wanna get  
A little mo freaky, a little mo freaky
