

# Ooh Ahh

Tone Stith

So many people here I don't know  
Cause you're the only one I invited  
I'm trying to hear you in my room  
Where I know it's quiet

Cause we don't need no after party  
For me and you to get this started, baby  
Cause you know I'll explore and touch you places unknown  
You gon' be having so much fun  
Especially if I'm the one you're choosin'  
Promise when I find it, you gon' lose it  
Oh no, love

So hold on, baby turn your phone off  
Imma put this song on  
They gon' hear this through the door  
Show off, wanna take your clothes off  
Love you til you doze off  
They gon' hear this through the door

You got me like  
Ooh, ahh, ahh, ahh, ahh, ahh  
I'll make you say  
Ooh, ahh, ahh, ahh, ahh, ahh  
Your body sayin'  
Ooh, ahh, ahh, ahh, ahh, ahh  
They gon' hear  
Ooooooh, through the door

Knock knock, who is it?  
They can go ahead and mind they business  
We don't need no witness  
Cause they gon' know what we're doin' anywayyy  
Anywayyy  
Oh, we just gettin' comfortable  
Your friends say they gotta go home  
So tell 'em you ain't tryna go

Don't need no after party  
For me and you to get this started, baby  
Cause you know I'll explore and touch you places unknown  
You gon' be having so much fun  
Especially if I'm the one you're choosin'  
Promise when I find it, you gon' lose it  
No, no, no, no

Hold on, baby turn your phone off  
Imma put this song on  
They gon' hear this through the door  
Show off, wanna take your clothes off  
Love you til you doze off  
They gon' hear this through the door

You got me like  
Ooh, ahh, ahh, ahh, ahh, ahh  
I'll make you say  
Ooh, ahh, ahh, ahh, ahh, ahh

Your body sayin'  
Ooh, ahh, ahh, ahh, ahh, ahh  
They gon' hear  
Ooooooh, through the door

So many people here I don't know  
Cause you're the only one I invited

Hold on, baby turn your phone off  
Imma put this song on  
They gon' hear this through the door (they gon' hear it)  
Show off, wanna take your clothes off  
Love you til you doze off  
They gon' hear this through the door

You got me like  
Ooh, ahh, ahh, ahh, ahh, ahh  
I'll make you say  
Ooh, ahh, ahh, ahh, ahh, ahh  
Your body sayin'  
Ooh, ahh, ahh, ahh, ahh, ahh  
I'll make you say  
Ooooooh, through the door

Whoo  
I'll make you say  
Oh
