

# Take It There

Tone Stith

I love your body even when you're not trying  
Say you don't exercise, well girl, I don't buy it  
Hop out the car, girl, damn you look like a model  
You the blueprint every girl need to follow  
It's the way that you talk, plus that dress you got on  
And the way that you walk, you ain't doin' nothin' wrong  
Go on and put that on me, take your time, girl slowly  
Talkin' 'bout it all week, you gon' have to show me, yeah, oh

I can't get it out of my head, no  
All the freaky things you've done said  
Now we're all alone in here  
Take it all off, don't be scared to take it off, girl

Your body is calling me, yeah  
Anything you want, girl you'll get it now  
I'ma make it hard to leave, oh-oh  
I'm stayin' in, gonna lock it down  
I got what you want  
You don't need your phone  
Don't nobody gotta know that we got nothin' on  
Ain't gon' hold back, and girl, I'm good for that  
All I'm trying to say is that I

I can't get it out of my head (Oh no, no, no, no)  
All the freaky things you've done said (Oh no, oh yeah)  
Now we're all alone in here (Woo-hoo)  
Take it all off, don't be scared to take it off, girl (Ahh)  
I'ma lay it down in your bed (Yeah, yeah, yeah, yeah)  
Let you run your fingers through my hair (Yeah, oh)  
Now we're all alone in here (Oh yeah)  
Take it all off, don't be scared to take it off, oh yeah

Take it all off like we at Follies  
Take it all off like we at AOD  
Monday night at Magic City  
She said, "Dolla, you got that magic D"  
Hit your phone, better answer me  
Get it wet in advance for me  
Hit it slow, til' you tell me, "Boy go fast"  
Tattoo my name on your flesh  
Leave yo' exes alone, they all trash  
You deserve a real one even if you ain't got a real ass  
Drippin' in Provocateur for me  
Bust it open on the floor for me  
Girl, I bet you can't do that on a D  
Show me you a savage, you remind me of Blake Lively

Take it all off for me, for me, for me  
(Baby, can you take it off, take it off?)  
Take it all off for me, for me, for me  
(Oh yeah, oh yeah, woo-woo, woo, woo, woo, woo)  
Take it all off for me, for me, for me (Take it all off, oh yeah)  
Take it all off for me, for me, for me, for me (Ahh)

I can't get it out of my head  
All the freaky things you've done said (Ahh)

Now we're all alone in here (Oh)  
Take it all off, don't be scared to take it off, girl (Ooh, no, no, no)  
I'mA lay it down in your bed (In your bed, girl)  
Let you run your fingers through my hair (Woo, yeah)  
Now we're all alone in here  
Take it all off, don't be scared to take it off, oh yeah  
(Oh yeah, oh yeah, oh yeah, oh yeah)
