

# When I'm With You

Tone Stith

Baby

You know that I'm on your side, uh  
You know I'll be on your side, uh  
You know I'll never play you, right?  
In this jaded life 'cause baby, uh  
If you give me one sign (If you give me one sign)  
All I need is one time (All I need is one time)  
Another day like this, girl, and I'm all in it

Take it off, we're in for the night  
Nobody knows  
Hit the red lights (Yeah-yeah, oh, oh)  
Let's keep it goin' and we'll get it right, uh  
You can say what you want, uh  
But we in this for life

When I'm with you, on your body  
Ain't no issues, no more mistakes (Yeah)  
The shit we've been through, we still got it  
It's official, when I'm with you, oh

Baby, uh  
You hold it down when I'm not home, uh  
You keep it real, you're a real woman  
And when these hoes try to break the code  
I let 'em know, 'cause  
I love the way you move, you ain't trippin' on me  
FaceTime, what you got on? Girl, I wanna see  
Make a nigga fall in love every time that we speak  
I don't fuck around when it comes to you, girl

Take it off, we're in for the night (Oh, oh-oh)  
Nobody knows (Knows)  
Hit the red lights (Hit the red lights, baby)  
Let's keep it goin' and we'll get it right, uh  
You can say what you want, uh (You can say what you want, uh)  
But we in this for life

When I'm with you, on your body  
Ain't no issues (Oh, no), no more mistakes (No, no)  
The shit we've been through, uh, we still got it (Yeah, yeah)  
It's official, when I'm with you, oh

'Cause you know that the road gets rough (Oh, oh)  
We've been through all the bumps and the rain  
'Cause you know I'm not tryna start nothin', no  
Oh, oh, oh-oh  
Do it better than anyone can  
Every day I'ma prove I'm your man, yeah, yeah

When I'm with you, on your body (Ooh, woah)  
Ain't no issues (No issues), no more mistakes (No baby)  
The shit we've been through (Oh, oh-  
oh, oh), uh, we still got it (Yeah, yeah)  
It's official, when I'm with you, oh
