

Dance With Me

Tones And I

Give me one good reason to stay today
Give me one good reason, I'll try
I just hope that you'll be coming home tonight
Give me one good reason to dry my tears
Give me one more reason to fight
I just hope that you'll be coming home tonight

Say it's okay, 'cause I've been dancing 'round the room, and
Say it's okay, 'cause I've been waiting up for you
With a bottle of whiskey
I'm hoping you'll kiss me soon

Won't you dance with me, dance with me
Know how it feels
All the time I've wasted just to have you near me
'Cause I've been up dancing alone
I'm dancing all night
Oh, won't you dance with me, dance with me
Don't wanna hear it
'Cause sitting all alone, it takes a toll on my feelings
I've been up dancing alone
I'm dancing all night

Give me all your loving, don't change my mind
Give it all or nothing this time
I just wanna hold you close again tonight
Come and take my hand, won't you spin me 'round?
Come and show me what is life
I just hope that you'll be coming home to me tonight

Say it's okay, 'cause I've been dancing 'round the room, and
Say it's okay, 'cause I've been waiting up for you
With a bottle of whiskey
I'm hoping you'll kiss me soon

Won't you dance with me, dance with me
Know how it feels
All the time I've wasted just to have you near me
'Cause I've been up dancing alone
I'm dancing all night
Oh, won't you dance with me, dance with me
Don't wanna hear it
'Cause sitting all alone, it takes a toll on my feelings
I've been up dancing alone
I'm dancing all night

Dance with me, dance with me
Know how it feels
All the time I've wasted just to have you near me
'Cause I've been up dancing alone
I'm dancing all night
Oh, won't you dance with me, dance with me
Don't wanna hear it
'Cause sitting all alone, it takes a toll on my feelings
I've been up dancing alone
I'm dancing all night
