

# We Don't Need A Reason To Get Pissed On A Monday

Tones And I

I met a boy the other night  
He thought himself that he just feel bad  
He's odd type  
He doesn't work but he's alright  
And he sleeps like a baby at night

I passed a girl the other day-ay  
She got a ticket while she picked up the laundry  
I saw the tears fall in her eyes  
She said, oh my god, I'm just trying to get by-eye-eye-eye-eye  
Eye-eye-eye  
Eye-eye-eye  
We-re all tryin'a get by-eye-eye-eye  
Eye-eye-eye-eye  
When all we really wanna do is stay young  
Stay young  
Stay young  
Stay young  
Stay young  
Stay young  
All we really wanna do is stay young  
Stay young  
Stay young  
Stay young  
Stay young  
Stay ya-ah-ah-ah-eh

Take my money  
Take my car  
Take my boring part time job  
I hate it way to much to stay for eighteen bucks an hour  
We'll be here with the beers  
Sing and laugh and go by years  
Cos all we wanna do is  
All we wanna do is

Take my money  
Take my car  
Take my boring part time job  
I hate it way to much to stay for eighteen bucks an hour  
We'll be here with the beers  
Sing and laugh and go by years  
Cos all we wanna do is  
All we wanna do is  
Stay ya-ah-eh  
Ya-ah-eh  
Ya-ah-eh  
Stay ya-ah-ah-ah-ahh-eeey  
Stay-ya-ah-ah-ah-ah

I saw a man I met before  
We shared a moment in a taxi  
On a beer soaked floor-ey  
Although he never made me cry-eye  
I just ignored his smile  
And I walked on by-eye

I passed a girl the other day-ay  
She got a ticket while she picked up the laundry  
I saw the tears fall in her eyes  
Se said oh my god we're all trying to get by-eye-eye-eye-eye  
Eye-eye-eye  
Eye-eye-eye  
We-re all tryin'a get by-eye-eye-eye  
Eye-eye-eye-eye  
When all we really wanna do is stay young  
Stay young  
Stay young  
Stay young  
Stay young  
All we really wanna do is stay young  
Stay young  
Stay young  
Stay young  
Stay ya-ah-ah-ah-eh

Take my money

Take my boring part time job
