

Do You Wanna Dance

Toni Basil

Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?

Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?

Can you get into the feeling
That's coming through the floor?
Can you feel it in the air?
'Cause you know it's always there
Makes me wanna dance, you know what?

But I need someone to cling to
And you're standing all alone
Well, you do your best and I'll do the rest
Baby, don't you hide yourself away
When I get to you I'm gonna say

Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?

Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?

Ooh, I can pull it out the blue
See, I'm aiming right at you
'Cause you got the chance
So come on and dance
Do ya, do ya, do ya wanna try?
Do ya, do ya, do ya wanna fly?

Come on, come on, come on
Do you wanna, do you wanna
Do you wanna dance?

Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance?

Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?

Hey! Hey!
Hey! Hey!

Hey!

Baby, you're so fine
Do you wanna dance alone? (Hey)
Hey everybody, come on, come on (hey)
Hey everybody, put your toe shoes on
Well, do you wanna? Do you wanna?

Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?

Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?

Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
Do you wanna dance? Do you wanna dance?
