

# I Love Me Some Him

Toni Braxton

**D**

I love me, some him

**A**

I'll never love this way again

**D**

I love me, some you

Another man will never do

**Em**

All those days and lonely nights

Have all gone away

**A**

**D**

I've never thought the day would come

When we'd be more than friends

You made me smile when I was down

You turn my world around

**G**

**D**

The way you give me love feels so right

**Em**

You took the ease off my mind

And put it behind

You were there for all my needs

**G**

So baby please stay

**Em**

**F#m**

I love me, some him

**Dm**

I'll never love this way again

**Am**

I love me, some you

Another man will never do

I love me, some him

I'll never love this way again

**A**

And I love me, some you

Another man will never do

Just like a dream come true

I wished for you

**D**

I have never been so happy

**A**

'Bout a love so new

**Em**

**D**

You've opened my heart to a brand new start

My love's there will wherever you are

I won't let no one take you away
