

Sometimes When We Touch / After All (Medley)

Toni Gonzaga

You ask me if I love you, and I choke on my reply
I'd rather hurt you honestly than mislead you with a lie
And who am I to judge you on what you say or do
I'm only just beginning to see the real you
And sometimes when we touch
The honesty's too much, and I have to close my eyes and hide
I wanna hold you till I die
Till we both break down and cry
I want to hold you till the fear in me subsides
Romance and all it's strategy leaves me battling with my pride
But through the insecurity some tenderness survives
I'm just another writer, still trapped within my truths
A hesitant prize fighter, still trapped within my youth
And sometimes when we touch
The honesty's too much, and I have to close my eyes and hide
I wanna hold you till I die
Till we both break down and cry
I want to hold you till the fear in me subsides
Well, here we are again (here we are again)
I guess it must be fate (I guess it must be fate)
We've tried it on our own,
But deep inside we've known
We'd be back to set things straight
I still remember when
Your kiss was so brand new
Every memory repeats,
Every step I take retreats,
Every journey always brings me back to you
After All the stops and starts,
We keep coming back to these two hearts,
Two angels who've been rescued from the fall.
After all that we've been through,
It all comes down to me and you.
I guess it's meant to be,
Forever you and me, After All.
At times I'd like to break you and drag you to your knees
At times I'd like to break through and hold you endlessly (hold you endlessly)
At times I understand you, and I know how hard you've tried
I've watched while love commands you
And I've watched love pass you by
At times I think we're drifters, still searching for a friend
A brother or a sister, but then the passion flares again
And after all the stops and starts,
We keep coming back to these two hearts,
Two angels who've been rescued from the fall.
After All that we've been through,
It all comes down to me and you.
I guess it's meant to be,
Forever you and me.
Now that sometimes when we touch
The honesty's too much, and I have to close my eyes and hide
I wanna hold you till I die
Till we both break down and cry
I wanna hold you till the fear in me subsides
