If you want me to I will be your fairy princess Your dream of romance If you ask me then I can be your queen of darkness Take you below It don't matter at all Devil or priestess - teacher or fool What you want will be what you receive I am the answer to all of your dreams If you wanted a creature from another dimension I'm the answer If you wanted a reason for an endless conflict I'm the one It don't matter at all Devil or priestess - teacher or fool What you want will be what you receive I am the answer to all of your dreams I can be your nightmare And then I'll take you places you didn't mean to go Or take a long look Into the future I'll tell you many things that you didn't want to know If you want me to I will be your humble servant Need your protection If you ask me then I can be your fearless fighter Your Joan of Arc It don't matter at all Devil or priestess - teacher or fool What you want will be what you receive I am the answer to all of your dreams Build me up - bring me down Put me back on my feet again Please leave me alone If you want me to I will be your fairy princess Your dream of romance If you ask me then I can be your queen of darkness Take you below It don't matter at all Devil or priestess - teacher or fool What you want will be what you receive I am the answer to all of your dreams Build me up - bring me down Put me back on my feet again

Please leave me - please leave me alone
