

After You've Gone

Tony Bennett

Don't you remember how you used to say
You always loved me in the same old way
And now it's very strange
That you should ever change

Sometimes I think someone has won your heart
Tempted you away
But let me warn you though that we're miles apart
You'll regret some day

After you've gone and left me crying
After you've gone, there's no denying
You'll feel blue, you'll feel sad
You'll miss the dearest pal you've ever had

There'll come a time, now don't forget it
There'll come a time, when you'll regret it
Some day when you'll grow lonely
Your heart will break like mine and you'll want me only
After you've gone, after you've gone away

After I'm gone and after we break up
After I'm gone, you're gonna wake up
You will find you were blind
To let somebody come and change your mind

After the years we've been together
Thought joy and tears, all kinds of weather
Someday blue and downhearted
You'll long to be with me right back where you started
After I'm gone, after I'm gone away
