

# Baby, Talk to Me

Tony Bennett

Talk to me  
Baby, won't you talk to me  
I don't care what you say,  
Baby, talk to me

Must you be all so far away from me  
It seems all wrong this way  
Talk to me  
(Talk to me  
Talk to me)

And if you miss me, tell me so  
Are you lonely, tell me so  
Say you love me, tell me so  
Honey, let me know

Talk to me till I press you close me  
Then you'll see  
We won't have to talk at all

And if you miss me, tell me so  
Are you lonely, tell me so  
Say you love me, tell me so  
Honey, let me know

Talk to me till I press you close me  
Then you'll see  
We won't have to talk at all  
(Talk to me  
Talk to me  
Talk to me)
