# Blue and Sentimental

**Tony Bennett**

If you don’t want me,
Why do you haunt me
Keep me feeling
Blue and sentimental

My dreams are blue dreams,
Just won’t come true dreams I find
Blue and sentimental
[Oh, what a feeling]

I can’t forget you
[Who ask you to?]
My heart won’t let you
Out of my mind

[Well, it rains all the time
Since you said good-bye]
I'm sorry, baby
[And the skies and my eyes
And my heart they all cry]
Don't cry, baby
Blue and sentimental
If you don’t want me
Why do you haunt me and
(And keep me feeling
Blue and sentimental)

It rains all the time
Since you said good-bye
[That's true but
The skies and my eyes and my heart all cry]

Blue and sentimental
[Oh, that's how I'm feeling]
Please, don't feel that way
Why do you haunt me
(Keep me feeling
Blue) and sentimental
[It's a flavour of the song
It's just...]
Blue and sentimental
[Oh, one more for the road]
I'm not drunk
