

Congratulations to Someone

Tony Bennett

Congratulations to someone
Someone who's happy with you
I guess he did the right thing
I wasn't wise enough to do

Congratulations to someone
Someone who's holding you now
You know I'll always love you
But I'll get along somehow

Didn't I kiss you often enough?
Didn't I hold you tight?
Why did you leave me here by myself
Crying alone in the night?

I thought you'd love me forever
Somehow it just couldn't be
Congratulations to someone
But I wish that "the someone" was me

I thought you'd love me forever
Somehow it just couldn't be
Congratulations to someone
But I wish that "the someone" was me
