## **Dream Dancing**

## **Tony Bennett**

When day is gone and night comes on Until the dawn what do I do?
I clasp your hand and wander through slumber land Dream dancing with you

We dance between a sky serene
And fields of green sparkling with dew
It's joy sublime whenever I spend my time
Dream dancing with you

Dream dancing
Oh, what a lucky windfall
Touching you, clutching you
All the night through

So say you love me, dear And let me make my career Dream dancing, dream dancing with you
