

## Here, There and Everywhere

Tony Bennett

Here, making each day of the year  
Changing my life with a wave of her hand  
Nobody can deny that there's something there  
There, running my hands through her hair  
Both of us thinking how good it can be  
Someone is speaking, but she doesn't know he's there

I want her everywhere  
And if she's beside me I need never care  
To love her is to need her everywhere  
Knowing that love is to share  
Each one believing that love never dies  
Watching her eyes and hoping I'm always there

Everywhere

I want her everywhere  
And if she's beside me I need never care  
To love her is to need her everywhere  
Knowing that love is to share  
Each one believing that love never dies  
I know she's got eyes I'm hoping I'm always there  
I just wanna be there and everywhere,  
Here, there and everywhere!

Here, there and everywhere!  
Everywhere  
There
