## **House of Flowers**

## **Tony Bennett**

My house is made of flowers The warm winds carpet the floor Whenever there's spring showers I open up rainbow door

The frog, the toad, the turtle
Make my home their home
My curtains are crape myrtle
And the firefly flies neath my dome

I've never had money
And I'll never need none
The moon is my lamp
And my clock is the sun

My home's a home For all those things What grows, what flies, what sings

If it all sounds tempting And it do you entice
I show to the heavens
That it do make it nice
