I Will Live My Life for You

Tony Bennett

```
I will live my life for you
Just for you, only you
I will give all I possess
For your happiness

Every wish I will fulfill
Even make the world stand still

So until I'm old and gray
I will pray that I may
Live my life for you

Every wish I will fulfill
Even make the world stand still

So until I'm old and gray
I will pray that I may
Live my life for you
```
