

## Irena

Tony Bennett

Irena, Irena  
A lover waits for you  
The right one, a knight one  
No other love will do  
Everything you ever dreamed a man could bring  
He'll offer for the taking  
So take him  
He needs you  
You need him  
Irena  
Oh, no lover waits too long  
Believe him  
Receive him  
You know where you belong  
Live today  
Its time you gave your love away  
Don't wait until tomorrow  
In sorrow  
You may find  
Your lover gone  
Irena, Irena, darling
