

Is That All There Is?

Tony Bennett

I remember when I was a very little kid, our house caught on fire.
I'll never forget the look on my father's face as he gathered me up
in his arms and raced through the burning building out to the pavement.
t.

I stood there shivering in my underwear and watched the whole world go
up in flames.

And when it was all over I said to myself, "Is that all there is to a
fire?"

Is that all there is, is that all there is
If that's all there is my friends, then let's keep dancing
Let's break out the booze and have a ball
If that's all there is

And when I was 12, my father took me to the circus, the greatest show
on earth.

There were clowns and elephants and dancing bears
And a beautiful lady in pink tights flew high over our heads.
And as I sat there watching the marvelous spectacle
I had the feeling that something was missing.
I don't know what, but when it was over,
I said to myself, "Is that all there is to a circus?"

Is that all there is
Is that all there is
If that's all there is my friends, then let's keep dancing
Let's break out the booze and have a ball
If that's all there is

Then I fell in love, head over heels in love
with the most wonderful girl in the world.
We would take long walks by the river or just sit for hours gazing in
to each other's eyes.
We were so very much in love.
Then one day, she left me. And I thought I'd die – but I didn't.
And when I didn't I said to myself, "Is that all there is to love?"

Is that all there is,
is that all there is?
If that's all there is my friends, then let's keep dancing

I know what you must be saying to yourselves.
If that's the way he feels about it why doesn't he just end it all?
Oh, no. Not me. I'm in no hurry for that final disappointment.
For I know just as well as I'm standing here talking to you,
when that final moment comes and I'm breathing my last breath, I'll say
to myself,

Is that all there is?
Is that all there is?
If that's all there is my friends, then let's keep dancing
Let's break out the booze and have a ball

If that's all there is
