

Love Song From Beauty And The Beast

Tony Bennett

Love me, love me, love me, love me
Without love I cannot live
Love me, love me, love me, love me
Give me all there is to give

Take me, take me, take me, take me
Make me, make me part of you
Love me, love me, love me, love me
Let me reach the heart of you

If you just look with your eyes
You might run from someone like me
But if you look with your heart you'll discover
I'm the lover your eyes couldn't see

Give me, give me, give me, give me
All the love you have to give
Love me, love me, love me, love me
Without love I cannot live
