My Mom

Tony Bennett

I've got one real friend more than a friend I find The way I feel friend, she's all of this heart of mine I'm all for her I know she'll always be for me I'm on my way friend, I'm going home to see

My mom, I love her My mom, you'd love her Who wouldn't love her, my mom That sweet somebody, thinks I'm somebody My pal, my buddy, my mom

Anything I do she's my only inspiration Anytime I'm blue she's my only consolation

As years come on her I gaze upon her She's my Madonna My mom My pal, my buddy, my mom

Yes, anything I do she's my only inspiration Anytime I'm blue she's my only consolation

As years come on her I gaze upon her She's my Madonna My mom
