

No One Will Ever Know

Tony Bennett

No one will ever know my heart is breaking
Although a million teardrops start to flow
I'll cry myself to sleep and wake up smiling
I'll miss you but no one will ever know

I'll tell them we grew tired of each other
And realized our dreams could never be
I'll even make believe I never loved you
Then no one will ever know the truth but me

No one will ever see the tears I'm hiding
You've hurt me but no one will ever know
I'll even make believe I never loved you
Then no one will ever know the truth but me
