

# Old Devil Moon

Tony Bennett

I looked at you and suddenly  
Something in your eyes I see  
Soon begins witching me  
It's that old devil moon  
That you stole from the sky  
It's that old devil moon deep in your eyes

You and your glance makes this romance too hot to  
handle  
Stars in the night blazin' their light can't hold a  
candle  
To your razzle dazzle

You've got me flyin' high and wide  
On a magic carpet ride  
Full of butterflies inside  
I want to cry  
Want to croon  
Want to laugh like a loon  
It's that old devil moon deep in your eyes

Just when I think I'm free as a dove  
Old evil moon deep in your eyes  
Blinds me with love

You and your glance makes this romance too hot to  
handle  
Stars in the night blazin' their light can't hold a  
candle  
To your razzle dazzle

You've got me flyin' high and wide  
On a magic carpet ride  
Full of butterflies inside  
I want to cry  
Want to croon  
Want to laugh like a loon  
It's that old devil moon deep in your eyes

Just when I think I'm free as a dove  
Old evil moon deep in your eyes  
Blinds me with love
