

Sleepless

Tony Bennett

Sleepless

I feel a little drowsy 'cause I'm sleepless
You want to know the reason why I'm sleepless
It's 'cause I'm dreamless over you

Dreamless

Ever since I met you, I've been dreamless
You want to know the reason why I'm dreamless
It's 'cause I'm sleepless over you

I used to be able to sleep like a child
Like people in love ought to do
Now I lay and I mumble, I toss and I tumble
Just blinking and thinking of you

Sleepless

I guess I'll have to go on being sleepless
I'm even getting used to being dreamless
Because I know you're sleepless too

Sleepless

I guess I'll have to go on being sleepless
I'm even getting used to being dreamless
Because I know you're sleepless too
