

Somewhere Over The Rainbow

Tony Bennett

When all the world is a hopeless jumble
And the raindrops tumble all around
Heaven opens a magic lane

When all the clouds darken up the skyway
There's a rainbow highway to be found
Leading from your windowpane

To a place behind the sun
Just a step beyond the rain

Somewhere, over the rainbow
Way up high
There's a land that I heard of
Once in a lullaby

Somewhere, over the rainbow
Skies are blue
And the dreams that you dare to dream
Really do come true

Some day I'll wish upon a star and wake up where the clouds are
Far behind me
Where troubles melt like lemon drops away above the chimney top
s
That's where you'll find me

Somewhere, over the rainbow
Blue birds fly
Birds fly over the rainbow
Why then, oh, why can't I?

If happy little bluebirds fly
Beyond the rainbow
Why, oh, why can't I?
