

Tell Her It's Snowing

Tony Bennett

Tell her that it's snowing
Like a year ago
Ask her if she's happy
Say I'd like to know

Tell her that it's snowing
Say I feel the same
Ask her if the children
Ever say my name

Ask her, did the baby
Take a step or two
Don't say I'm unhappy
Even though it's true

Ask her if the children
Love the falling snow
Tell her, yes it's snowing
Like a year ago

Say they've not forgotten
Games we used to play
Do they often ask you
Why I went away

Tell her that the seasons
Are made into one
And for many reasons
I remained alone

Don't say I'm unhappy
Even if she wants to know
Tell her that it's snowing
Like a year ago
