

# The Good Things In Life

Tony Bennett

So I raise my glass to the good things in life  
I am not here for long, but there's time for a song  
And some wine

I have lived, I have loved  
I have laughed, I have cried  
I have tried to give my life some meaning  
I have tried to make it all make sense  
I have made the journey up the mountain  
And the descents

I have won, I have lost  
I have learned to my cost  
That I've crossed and burned too many bridges  
If I could go back perhaps I would  
Then again, I don't take good advice when maybe I should

But I lift my glass to the good things in life  
I am not here for long, but there's time for song  
And some wine

And when time runs away  
I will look back and say  
That the good things in life were all mine
