

The Way That I Feel

Tony Bennett

This is the way that I do feel
I feel it everywhere I go
I feel just like an engine
That lost its drivin' wheel

I am feelin' down as a man can feel
Since she said that
She don't want me hangin' around
Feel like a tin can just rustin'
Way out on the dumpin' ground

It sure is hard to stumble down
When you ain't got no place to fall
Seems like in this whole earth
I ain't got no place at all

I am feelin' like a stranger here
I feel like a stranger everywhere
I feel like I'd like to go back home
But I'm stranger there

I've tried and tried to go my way
And leave the worried past behind
But every time that sun goes down
That women stays on my mind
