

What a Wonderful World

Tony Bennett

I see trees of green, red roses too
I see 'em bloom, for me and for you
And I think to myself, what a wonderful world

I see skies of blue, clouds of white
Bright blessed days dark sacred nights
And I think to myself, what a wonderful world

The colors of a rainbow so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands sayin' how do you do
They're really sayin' i love you

I hear babies cry, I watch them grow
They'll learn much more than I'll never know
And I think to myself, what a wonderful world

The colors of a rainbow so pretty in the sky
Are there on the faces of people going by
I see friends shaking hands sayin' how do you do
They're really sayin' (I, love you)

I hear babies cry, I watch them grow
(you know their gonna learn
A whole lot more than I'll never know)
And I think to myself, what a wonderful world
Yes I think to myself, what a wonderful world
