

## Yellow Days

Tony Bennett

I remember when the sunlight had a special kind of brightness  
And laughter held a lover's kind of lightness  
Yellow days, yellow days

She would hold me and the smile would spread around us so completely  
And the softness of a kiss would linger sweetly  
Yellow days, yellow days

But then came thunder  
And I heard her say "goodbye"  
Through tears of wonder  
Now I'm alone and my heart wants to know  
Yellow days, where'd you go?

Life is empty and the sunlight seems so harsh instead of tender  
And the laughter's just an echo I'll remember  
Yellow days, yellow days

Now I'm alone and my heart wants to know  
Yellow days, where'd you go?

Life is empty and the sunlight seems so harsh instead of tender  
And the laughter's just an echo I'll remember  
Yellow days, yellow days
