

Yesterday I Heard the Rain

Tony Bennett

Yesterday I heard the rain
Whispering your name
Asking where you'd gone

It fell softly from the clouds
On the silent crowds
As I wandered on

Out of doorways black umbrellas
Came to pursue me
Faceless people as they passed
Were looking through me
No one knew me

Yesterday I shut my eyes
Face up to the skies
Drinking in the rain

But your image still was there
Floating in the air
Brighter than a flame

Yesterday I saw a city
Full of shadows without pity
And I heard the steady rain
Whispering your name
Whispering your name
