

Say It's All Over

Tony Carey

Who was that tall stranger
I saw leavin' your place last night
why weren't you out waitin
I saw your shadow in the bedroom light

I know, you're right
it gets lonely in the middle of the night
if you wanna go
baby just say so

don't give me no more excuses
don't give me no more runnin around
say it's all over (it's all over)
say it's all over
tell me it's all done (it's all done)
tell me it's all done
say it's all over (it's all over)
say it's all done
tell me all over (it's all done)
tell me all done

there were some times when I
stayed out later than I should have done
we both know that I don't
come runnin when I'm havin fun

but you're out all night
come back in the morning
and then you wanna fight
if you wanna go
baby just say so

don't give me no more excuses
don't give me no more runnin around
say it's all over (it's all over)
say it's all done
tell me it's all done (it's all done)
tell me it's all done
say it's all over (it's all over)
say it's all done
tell me it's all done
say it's all done

wowh, guitar

don't give me no more excuses
don't give me no more foolin' around
say it's all over (it's all over)

tell me it's all done (it's all done)

tell me it's all over (it's all over)
tell me it's all done

tell me it's all over (it's all over)
say it's all done (it's all done)
say it's all over (it's all over)

say it's all done (it's all done)
say it's all over (it's all over)
say it's all done (it's all done)
say it's all over (it's all over)
