

# Dreaming of Natalie

Tony Christie

When I think about you, I'm lost without you  
I just miss you so  
Begged you not to leave me, but you deceived me  
Left me feeling low

Dreaming of Natalie, never no rest for me  
You broke my heart in two  
Natalie, I still love you

I can't stop my sorrow  
For tomorrow, is your wedding day  
You will add your new love, but my true love  
Cannot fade away

Dreaming of Natalie, never no rest for me  
You broke my heart in two  
Natalie, I still love you

Bells will be ringing up to the skies  
Tears will be sprayin' into my eyes

Dreaming of Natalie, never no rest for me  
You broke my heart in two  
Natalie, I still love you

Dreaming of Natalie, never no rest for me
