

Bad Mouthin'

Tony Joe White

Get me a couple, I'll have a couple licks on the front, then we
'll go

I'll get up every mornin'
Fix me sumpin' to eat
Walk into the kitchen
And you're starin' at my feet

You start bad mouthin' me
Yeah, you bad mouthin', baby
You keep bad mouthin', baby
I'm sure gonna put you down

Well, I'll get off in the evenin'
Get home right about four
The first thing I hear from you, baby
When I walk through that door

Yeah, you start bad mouthin' me
Yeah, you start bad mouthin' me
You keep bad mouthin', baby
I'm sure gonna put you down

Well, you better shape up
You better get started
Of these days
I'm gonna leave you broken-hearted

Bad mouthin'
You just keep on bad mouthin'
You keep bad mouthin', baby
Someone gonna put you down
Yeah, man
