

# 'Bout To Dance (In My Pants)

Tony Joe White

I'm bout to dance in my pants  
I can't keep my body still  
Bout to dance in my pants  
Love the way the music feels

Everybody moving  
Having so much fun  
I've got the find that partner  
To show me how its done

But I've got two feet that wanna move  
And I'm ready to learn  
I wanna do it the way you do  
But I don't know which way to turn

I'm bout to dance in my pants  
I'm bout to dance in my pants

It used to be so easy  
To just get out and shake your thing  
Now the got so many steps  
I know I've got to make a change

And they're playing that country music  
Everywhere I go  
And everybody stompin'  
To the Cotton Eyed Joe

But I've got two feet that wanna move  
And I'm ready to learn  
I wanna do it the way you do  
But I don't know which way to turn

I'm bout to dance in my pants

I'm bout to dance in my pants  
Dance in my pants  
I'm bout to dance in my pants, yeah

I'm bout to dance in my pants  
Can't stand it  
Bout to dance in my pants  
To dance in my pants  
To dance in my pants  
To dance in my pants  
To dance in my pants  
Bout to dance in my pants

We gotta end this before daylight  
Maybe not
