

## Hard to Handle

Tony Joe White

Ungr, Owie  
Baby here I am, I'm a man upon a scene  
I can't give you what you want  
But you gotta come home to me  
Honey, I got some good old loving  
And I got some more in store  
When I get to whippin' it on  
Well you gotta come back for more

Boys will come and down by the dozen  
But that ain't nothing but drugstore love  
Huely thing let me light your candle  
Cause mama I'm so hard to handle now, yes I am

Action speaks louder then words  
I'm a man of great experience  
I know you got some other guy  
But I can love you better then him  
Come on baby now take my hand  
I'm gonna proof every word I say  
I'll advertise your love for free  
But you gotta put your add for me

Boys will come and down by the dozen  
But that ain't nothing but drugstore love  
Huely thing let me light your candle  
Cause mama I'm so hard to handle now, yes I am

Give it to me!
