

# Jaguar Man

Tony Joe White

Jaguar man, jaguar man  
Jaguar man, want to be a jaguar man

I like nice clothes  
Cool shoe  
Money to burn  
And you

Jaguar man, jaguar man  
Jaguar man, want to be a jaguar man

I don't waste time  
Beatin' around the bush  
Cause if it's cool  
You don't have to push

Jaguar man, jaguar man  
Jaguar man, want to be a jaguar man

You've got to have more to show than diamonds and pearls  
It takes a man to know, it's a woman's world

Jaguar man, jaguar man  
Want to be a jaguar man, jaguar man

I treat a woman  
With respect  
Don't come on strong  
No gold on my neck

Jaguar man, jaguar man  
Want to be a jaguar man, jaguar man
