If You Believe

Stealin' love, living day by day,
Stay a while there's things I need to say,
Oh I'd die for you, foolish some might say,
I see it in your eyes, things just ain't goin' our way.

What goes around, comes around yeah,
It's just another reason to work it out,

If you believe that it's over, then I believe we can't carry on.

We can't keep, a bad thing going on,
Some might weep, but I believe, yes I believe, we gotta be strong.

What goes around comes around, yeah,
It's just another reason to work it out.

If you believe that it's over, then I believe that we can't carry on.

If you believe that we can't love much longer,
Then I will understand, I'm gonna have to let you go.

No, no.

If you believe that it's over, do you believe we can't go on,
can't go on no.

If you believe that it's over, I'm gonna have to let you go,
But I still love you,
If you believe that it's over, there's nothing I can do,
Nothing I can do.

Do you believe that it's over, gonna have to let you go.
If you believe, I don't wanna let you go,
I need a little love, oh.
Feel me, touch my soul.
Please baby let it go.
