

# Happy Man

Tony Orlando & Dawn

Merely by chance  
Very unsuspecting  
You caught my heart  
Unprotecting me  
Now I've fallen in love with you

Just when I thought I was free and easy  
You came along to me soft and breezy

Now I've fallen in love with you  
I've fallen in love with you

And for the first time in my life  
I know what it's like to be a happy man  
Happy man  
And for the first time in my life  
You've given me something I can't understand  
Being a happy man

Be with me now; love me forever  
Leaving you, lady, is something that I'd never do  
I've fallen in love with you

All of my life it seems I have waited  
Now I can say all these words I have stated are true  
I've fallen in love with you  
Fallen in love with you
