

# Look In My Eyes Pretty Woman

Tony Orlando & Dawn

Time is on my side  
Though the world keeps gettin' colder  
'Cause I've got you girl to ease my troubled mind  
Ooh ooh

I'm a different man  
When your head is on my shoulder  
I can find the answers in me  
That I never thought I'd find

'Cause when you look in my eyes pretty woman  
The world is a peaceful place  
All I can see when there's you and just me  
Is love upon your face

Stand by me baby  
And we'll find a way  
Before our day is done  
Look in my eyes pretty woman  
And we'll overcome

Love, my guiding star,  
You're my faith, my hope, my power  
When I just can't find a reason to believe  
Ooh Ooh

Touch my hand with love  
And you light my darkest hour  
I can feel the warmth returning  
And the pain about to leave

'Cause when you look in my eyes pretty woman  
The world is a peaceful place  
All I can see when there's you and just me  
Is love upon your face

'Cause when you look in my eyes pretty woman  
The world is a peaceful place  
All I can see when there's you and just me  
Is love upon your face
