

Hit N Run

Tony Yayo

Police say 25-year-old, Nekedia Cato was targeted because she's black. She was run-down randomly... While riding her bicycle Atlantic Avenue, by 56-year-old Thomas Cosby of Port Orange Police say Cosby admitted to hitting Cato on purpose with his car... Calling her with the N-word reportedly. After breaking the 25-year-old's leg, witnesses say Cosby screaming facistly: "These black people need to die! Help me kill them! I saw her on the bike, and waited to take her out."

"I-I actually saw him, coming toward me! I tried to move, my bike as... As fast as I can, but it was it wasn't quick enough! He came straight for me! If he could target me, and thought I was... Just because of the color of my skin, he could target anybody else! "

"Rightheous Kill"...
