

No Safe Haven

Tony Yayo

This ain't no safe heaven for these hoes, for these hoes
It's face down ass up girl you know how the story goes, story goes
I said this ain't no safe heaven for no bitch, for no bitch
It's g'zz up hoes down bitch go make a nigga rich, make me rich

Yea bitch ride, bitch ride
Be my fake dunaway like bonnie and clyde
Look, my swag is cool I cruise with a lean
With a dime young thing outta smooth magazine
Trap niggas local I done bein on jimmy kimmel
Now your bm is a nympho of that ornage county indo
It's all real simple you know how a pimp do
I'm in cobbo with a homeless seregant timbo
Fat ass cute with the dimples
Pigeon toed but I don't love these hoes
I take off the hermeez and put it in her stomach
She's likes jesus christ his jeans are 800
