

Out Of Town Trip

Tony Yayo

Riding in my 64 higher than a motherfucker
Dreaming about G force, higher than a motherfucker
Went from fried rice and chicken wings to jet fuel and jet wing
s

Tim Teboy bitches on a jet plane
Nowadays these lil' niggas got aim
I'm laying low when it stick my ear to the game
AK 47 smoking APA
Fate do a favor for me when I'm outta state

I'm about to take an out of town trip
I'm about to take an out of town trip
I'm about to take an out of town trip
Catch an out of town flip and get out of town quick

Yeah, a G told me never turn into a town nigga
Lancaster, Donald got found, nigga
I guess them Spanish niggas got to him
He owe bricks, mortician, prep from forest viewing
Baby momma fussing over more bread
For Channel bags, I'm tryina keep my kids fed
Bricks and that Brittany duck in the K, feds
I'm picky when it come to pussy, it'll leave you dead
Four doors, six eyes, bloodshot red
My bitch mollied out, she give the best head
Couple hits of Afghan, I feel half dead
Kick off to Marcella's, Hermes bedspread

I'm about to take an out of town trip
I'm about to take an out of town trip
I'm about to take an out of town trip
Catch an out of town flip and get out of town quick
I'm about to take an out of town trip
I'm about to take an out of town trip
I'm about to take an out of town trip
Catch an out of town flip and get out of town quick
