

# Pissy

Tony Yayo

Pissy in the motherfucker  
Pissy in the motherfucker  
Pissy in the motherfucker  
Just got me pissy in the motherfucker

Channing, like Billy Mays with them take up brollies  
All new money, y'all money looking moldy  
50 case of rosey, black diamond rosey  
Should be feeling on me champainge spill it on me  
Pig hill, 120 ville VIP  
Get the game set ready, I ain't seen no beef  
Somebody got a pissy in a motherfucker  
Pop on my wrist but I ain't going hand cuff her

Tripping of an OG, fray day  
All this dough in my pockets never play games  
'Cause I take you to the spot, that's sacred  
Got her friends in the mood, she's a freak

Pissy in the motherfucker  
Pissy in the motherfucker  
Pissy in the motherfucker  
Just got me pissy in the motherfucker

Leonard Daley p1, silence the lamb  
Crack noise on the gun  
Teflon cops out the window of the slightest drama  
Pull up on a hater like a melodrama  
I like your baby muff but I don't kiss her I don't hug  
her  
I'm Charlie Sheen high in the beam I burn the rubber  
A broom handle and banana clip  
I wave a broom stick, like the wicked witch  
And hope I find snitch  
I pull a ring when I take a piss  
She see the rocks on my wrist  
She starts to trip, smoking radioactiv Phs  
She got her boobs done up and they all on me  
I'm thirty seconds from mars just like the rock group  
Everybody know his fans never stopped you  
G6 it, the club VIP out in Paris  
Snatch a redhead beat it up like a savvy

Tripping of an OG, fray day  
All this dough in my pockets never play games  
'Cause I take you to the spot, that's sacred  
Got her friends in the mood, she's a freak

Pissy in the motherfucker  
Pissy in the motherfucker  
Pissy in the motherfucker  
Just got me pissy in the motherfucker
