

I Don't Wanna Fall In Love

Tonya Mitchell

Who needs to feel that way
Who needs those words to say
Who wants to give their hearts
To watch it fade away.
Cuz i've made up my mind
I didn't wanna know, why should I find a love
That isn't here to stay, I wasn't waiting until u came along,
And now I need you to tell me where my heart belongs but

I don't wanna fall in love, till I fall in love with you
And you showed me what my heart already knew.
I don't wanna fall in love, till I know the love is true
Cuz I need (cuz I need) you to feel the way I do,
When I give my heart to you

Ive seen the tears they cried, when its time for goodbye
I didn't wanna be the one whos asking why
I didn't think that I would ever feel so strong,
But now I know that I was wrong

I don't wanna fall in love, till I fall in love with you
And you showed me what my heart already knew.
I don't wanna fall in love, till I know the love is true
Cuz I need (cuz I need) you to feel the way I do,
When I give my heart to you

Now I believe it's worth the chance
To find a love that lasts
For all my life
Give me a sign so I will always know this love is right.
This love is right..

But I don't wanna fall in love (don't wanna fall in love)
Till I fall in love with you
And you showed me what my heart already knew (What my heart already knew)
I don't wanna fall in love (don't wanna fall in love, no)
Till I know the love is true
Cuz I need you to feel the way I do
When I give my heart to you

But I don't wanna fall in love
Till I fall in love with you
And you showed me what my heart already knew
I don't wanna fall in love (don't wanna fall in love)
Till I know the love is true
Cuz I need to you to feel the way I do
When I give my heart to you...
When I give my heart to you...
